E. S. HAMILTON.

One of the most successful and well equipped feed stores in Greenfield is that conducted by E. S. Hamilton on Jefferson street near Second. There is nobody here better fitted to judge of grain and feed than E. S. Hamilton and this knowledge coupled with his attention to business and well known integrity have conspired to make his success sure and rapid. It pays to trade with Hamilton. He always has a large stock on hand and is ready at all times to fill orders of any size. He is the possessor of a hay baling outfit which does a big business each season.
