ED GRAY, BARBER.

One of the most comfortable barber shops in Greenfield is that conducted by Mr. Ed Gray on Jefferson street. Mr. Gray is a tonsorial artist of much experience and he is assisted by competent men who have thoroughly learned the trade and possess that delicate touch which unfortunately is found lacking in many wielders of the lather brush. For a delightful shave, shampoo, or a fashionable hair cut visit Gray's shop and you will become a patron.

In the course of his career, Mr. Gray has given much attention to the cause, treatment and cure of dandruff and has succeeded in making a preparation

which effectually stops this annoying affection of the scalp. He terms it Carbolyzed Dandruff Cure. Nothing equals it. It is superior to all other Dandruff Cures on the market. Mr. Gray will be pleased to furnish testimonials as to its sterling worth. Price \$1.00 per bottle or ten cents for one application. All suffering with dandruff should try this wonderful preparation.
