

George "Chuck" Willett

July 18, 1871 – December 13, 1943

The 1941 Dragon Dedication

"In deep appreciation for twenty-five years of faithful and untiring service to the school, and a constant interest in the well-being of the student body, this thirty-eighth volume is respectfully dedicated to George "Chuck" Willett, head custodian".

During Mr. Willett's service to Greenfield Schools from 1916 until Mr. McClain's death in 1934, Mr. McClain's driver brought Mr. McClain to the high school on Sundays for a walk-through. Mr. McClain always asked Mr. Willett if anything needed repaired or improved. Mr. McClain would then follow-up to do what Mr. Willett wanted done. Their friendship was a partnership to achieve and maintain high standards of care for the school, students, faculty, staff, and community.
