

Ghost Walk 2026

Greenfield Historical Society's annual Ghost walk will be held October 12 at 6:00 PM in the Old Burying Ground. Travellers Rest will be open to tour before and after the program.

Before the program, guests will have the chance to buy tickets for the beef and freezer raffle benefiting the Shiloh Baptist Renovation. The winner receives \$600 towards purchase of meat at White's Meats & Deli in Bainbridge, also a seven cubic foot freezer purchased at Steven's Hardware. The winning ticket will be drawn after the program.

Again, this year we are going to have the actors speak to guests on the patio of Travellers Rest, so bring a chair and come and listen to stories from Greenfield's past. Mark your calendars for Monday October 12.

Some of the ghosts will be the actual person buried there while others will be family members who return to visit their relatives. There will be six ghosts.

James Scott was a stone mason in Greenfield and probably worked on many of the stone buildings in the area.

James & Sarah Gustin will tell about their adventures travelling to Ohio in the early days.

Thomas & Anzlotte Stewart will be visited by either Kate or Lucy Farmer, their granddaughters who were milliners.

William & Mary Douglass will be visited by their granddaughter Lucy Welsheimer who has a unique story of her own.

The wife of Ezra Lucas will be returning to tell their story.

James Elder, a veteran of the War of 1812, will also be visiting.
