The following from the *Greenfield Republican* Holiday Issue 1902-1903

J. E. ECKEL.

The Arcade Livery Stable, formerly owned by Wm. C. Hughey, was purchased by J. E. Eckel of Frankfort about three months ago. Since settling in Greenfield Mr. Eckel has won the confidence and respect of the people, and has proven himself as thoroughly competent to conduct the business with satisfaction to the public and profit to himself. The number of vehicles is large and they are all handsome and comfortable. His horses are all good travellers, tractable and safe for ladies to drive. From the patronage Mr. Eckel has already acquired it is safe to say that his experiences in Greenfield will be most pleasant.
