S. J. BUCK.

One of the best appointed Livery and Feed Stables in Greenfield is that of S. J. Buck on South Washington street. Besides a large number of up-to-date rigs and fast horses, Mr. Buck has the only cab service in town, a fact appreciated by wedding parties especially.

A corps of experienced assistants is always in attendance and ready to wait on patrons at any hour of the day or night. The rigs are all in good condition, attractive, rubber tired, light running and absolutely safe. The horses are all first class animals, gentle, speedy, and of great endurance. The most courteous attention is given to all customers, and experienced drivers furnished at any time.
