## W. H. GRIFFITH.

One of the most complete and finest stocks of harness, horse blankets, robes and whips to be found in this portion of the state is that which graces the store of W. H. Griffith. He has been in the business a long time and consequently is a thorough master of it.

Possessed of wonderful persistence, honest in all his dealings, with an energy which never knows when to stop, Mr. Griffith could not help but be successful. He is rewarded now in having an extraordinary large run on his goods not only among residents of Highland county but adjoining counties as well. Those desiring harness of any kind, plush or fur robes, Burlington Stay-on Stable blankets, whips, riding saddles, bridle, trunks, telescopes, or suit cases should examine the stock of W. H. Griffith without delay.
